

## **Under 15 Inter County Stage 2** **Plate qualification**

On Sunday 24<sup>th</sup> of January at Coral Health and Fitness, Sussex U15's competed against, South East Wales, Avon, and Buckinghamshire for a place in the Inter County plate finals.

First up we played South East Wales, with the team winning 4-1 with commanding victories from Jacob Osborne, Ryan Johnson and our two U13's playing up a level.

Well Done Curtis Malik and Peter Berkley!

Next we played Avon and it was a comfortable 5-0 victory.

As South East Wales had beaten Bucks whilst we played Avon, it meant that a victory or narrow defeat against Bucks would see us through.

Instead the boys put in another strong performance with a great win for Jacob at 1<sup>st</sup> string beating Ben Sheldon in convincing fashion, and a battling win for Dan Berkley coming back from 2-1 down to win in 5. So the final score against Bucks was 5-0.

The U15's can now look forward to another weekend of strong squash competing in the U15 plate competition.

Well done boys.
